ACKNOWLEDGEMENT

The success and final outcome of this project required a lot of guidance from many people, and we are extremely fortunate to have got this all along the completion of my project work. Whatever we have done is only due to such guidance and assistance and we would not forget to thank them.

We feel our self very fortunate to have got an opportunity to work in Master of Computer Application Department, DDU while undertaking the project named **"Employee Management System"**. This opportunity has proved to be great and immense important to us as it has gifted us with manifold opportunity and benefits. As the end of our successful completion of our M.C.A semester - IV project training in M.C.A Department, DDU. We are greatly thankful to those distinguishing personalities, who have made it all possible for us.

We are sincerely thankful to **Dr. Narayan Joshi** (Head of Department, MCA) and all the staff members of M.C.A. Department for their constructive thoughts and vision towards successful completion of the project.

We are highly thankful to **Prof. Minal Shah** (MCA) for their kind support who encouraged and motivated us throughout this tough task.

Our thanks and appreciation also goes to our colleague in developing the project and people have willingly helped us out with their abilities. Last but not the least we place a deep sense of gratitude to our family members and our friends, who have been constant sources of inspiration during the preparation of this project work.

Thank You

Pratik Kharva
